YARRA VALLEY OPEN STUDIOS 2023

Yarra Valley - 21 & 22 Oct
Upper Yarra - 4 & 5 Nov

Open Studios is for everyone! Connecting art lovers, artists, families and curious visitors with makers and their art.

An artist's process and what inspires them is personal and unique; it's their path to making. The beautiful thing about Open Studios is that it offers us a glimpse of this path, an exciting and inspiring experience only available once a year!

Use this Map to navigate your weekend of art appreciation. Be sure to explore the wineries, cafes and local main streets close to your chosen artists' studios - it's all part of the adventure!

Yarra Valley Arts, together with Yarra Ranges Council are proud to present Open Studios 2023.

Check our website for more information on the artists and scheduled demos / mini workshops and other special events.
