

Bio - Kate BAKER – 2020

Kate Baker is an Australian fine art photographer. She studied at the Australian Centre of Photography, with further studies under master printer Gordon Undy. Since 2005 Kate has exhibited in galleries in Australia and Europe. Her work is held in collections in Australia, the US and Europe. Kate has gallery representation in Berlin.

Kate's work has a resonance that is recognised and valued. Working primarily with black and white film and using a range of small, medium and large format cameras, Kate's handcrafted gelatin silver prints are made by the artist in her darkroom in Warburton.
